# ZEBCO®

Let's Go Fishing!

It's happening all across the country. On lakes. In rivers. In streams. Wherever water and people come together, Zebco is introducing the fun of fishing to more anglers than any other name in the business...and it's been that way since 1949.

The 1949 Zebco® Standard™  
The world's first production spin-cast reel.

# What's New In 2003?

As more and more people take to the lake with their families to enjoy the great sport of fishing, Zebco® is making it easier than ever before by providing everything you need, all in one convenient package.

Introducing...**Zebco Ready Tackle™**, a complete line of ready-to-go tackle for whatever type of fishing you do. From panfishing to saltwater fishing, Zebco Ready Tackle is your all-in-one solution.

(see page 4)

Synchronized Performance is the key to the all-new Zebco® **Genesis™** product line. These spincast, baitcast and spinning reels perform excellent for the experienced angler as well as the beginner. Genesis™ components are designed to provide performance, durability and reliability through a series of synchronized systems that deliver a complete and coordinated quality platform.

(see page 6)

Zebco® introduced the spincast reel in 1949, and since then we have been continually developing new technologies to improve the performance of these easiest-to-use fishing reels. Now, the Zebco family includes the most advanced spincast reel ever designed...**Omega™**. Designed to meet the needs of the experienced angler and built to the high-quality standards that have been a part of Zebco for over 50 years.

(see page 8)

To help make family fishing more memorable, Zebco® introduces a solution that is certain to put a smile on every parent's face...**Floating Youth Combos!!** These new combos, featuring Mickey Mouse®, Minnie Mouse® and Tigger® are the favorites of kids everywhere.

(see page 20)

**NEW**

# ZEBCO READY TACKLE™

At Zebco, fishing is our passion, and for over 50 years we've innovated reliable, hassle free tackle for countless generations of recreational anglers. Now we've taken it a step further... Introducing Zebco Ready Tackle™, the first fishing system that's color-coded so you know exactly which kit to buy. It's everything you need to get together with your family for a day at the lake.

## Tackle Totes®

## Telescopic Travel Combos

Ready Tackle™ Tackle Totes® are loaded with tackle and convenient enough to carry anywhere!

When space is limited, choose one of the Zebco Ready Tackle™ telescopic combos or a Tackle Tote® in either spinning or spincast versions. They are loaded with all the tackle you'll need, plus the Zebco Ready Tackle™ Fishing Guide that's loaded with information about different species of fish and the correct way to rig up your new tackle.

## Zebco® Ready Tackle™ Multi-Use Combos

ZEBCO Match & Catch™	
<b>Blue</b>	<b>LIGHT WEIGHT</b> Engineered especially for catching smaller fish such as trout or panfish.
<b>Red</b>	<b>MEDIUM WEIGHT</b> Perfect for catching most varieties of fish. Great all-around rig for anyone.
<b>Green</b>	<b>HEAVY WEIGHT</b> Substantial tackle that brings in catfish, strippers and other big ones.

# Zebco Ready Tackle™ Species-Specific Combos

The Zebco Ready Tackle™ flatboard packaged combos feature species-specific tackle, a tackle box, fishing line, fishing pliers, rod and ball-bearing reel.

For more detailed information about all of the Zebco Ready Tackle™ combos, see page 21.

Each Zebco Ready Tackle™ tackle kit contains the most popular tackle for the specific type of fishing you enjoy the most.

Zebco Ready Tackle™ step-up openstock combos feature a premium rod and ball-bearing reel with aluminum spool perfectly matched with the perfect species-specific tackle.

# Genesis™

Synchronized Performance is the trademark of Zebco's all-new Genesis Systems. Every component of each system is designed in sync with each other to provide easy-to-use, smooth-performing and great looking tackle for both the beginner and the advanced angler.

## Genesis™ Systems

The styling of each Genesis combo is your first clue to the quality of the engineering that has built these synchronized systems. Each system features an all-new Genesis reel (choose from spincast, spinning or baitcast) scientifically matched to a high-performance rod specifically designed for the Genesis system.

If you are a beginner looking for an easy-to-use fishing combo, Zebco's Genesis is a perfect choice. If you are an experienced angler looking for high-quality and smooth performance, again Genesis is the perfect choice.

The Genesis concept of Synchronized Performance is your assurance that every cast will yield un-paralleled performance.

### FEATURES:

#### GEN3C spincast

- Positive Pickup
- Star-adjustable drag system
- Stainless steel front cover
- Quick-change spool system
- 6'0" medium-action high-performance E-Glass rod
- Pre-spooled with 10 pound line

#### GEN100C baitcast

- Ball-bearing drive
- Star-adjustable drag system
- Sturdy graphite frame
- DynaMag® magnetic cast control
- 6'0" medium-action high-performance E-Glass rod
- Pre-spooled with 12 pound line

#### GEN20C medium spinning

- Aluminum Long Stroke® spool
- Ball-bearing drive system
- Continuous Anti-Reverse™
- Front-adjustable drag system
- Balanced handle and rotor
- Selectable anti-reverse
- 6'0" high-performance E-Glass rod
- Pre-spooled with 8 pound line

#### GEN30C spinning

- 3-size with above features and a 6'6" rod and pre-spooled with 10 pound line

# Genesis™ Reels

Each Genesis reel features quality-engineered components to provide smooth performance, durability and ease of use.

## GEN3

The Genesis GEN3 spincast reel features a large, easy-to-use thumb button, steel front cover for long-lasting durability and a star-adjustable full-range drag system that prevents line twist found in traditional spincast reels.

### FEATURES:

- Positive Pickup
- Steel front cover
- Quick-change spool system
- 3.8 Gear ratio
- Star-adjustable Twist-Reducer™ drag system
- Pre-spooled with 10 pound line

## GEN100

A true performer, the GEN100 baitcast reel means business on the lake. This reel features our DynaMag® magnetic cast control and a ball-bearing drive. The star-adjustable drag gives you total fish control.

### FEATURES:

- Ball-bearing drive
- Star-adjustable drag system
- Sturdy graphite frame
- DynaMag® magnetic cast control
- 5.1:1 Gear ratio
- Pre-spooled with 12 pound line

## GEN20, GEN30

For spinning needs, you won't find a more versatile reel. The GEN20 and GEN30 feature a ball-bearing drive, front-adjustable smooth drag, Continuous Anti-Reverse™ and a Twist-Reducer™ line roller. Its aluminum Long Stroke® spool provides great casting distance and durability.

### FEATURES:

- Aluminum spool
- Ball-bearing drive
- Front-adjustable drag
- Continuous Anti-Reverse™
- Balanced handle and rotor
- 4.7:1 Gear ratio
- Pre-spooled with line  
(GEN20: 8 pound; GEN30: 10 pound)

# Omega™

The most advanced spincast reel...ever.

Omega represents the highest standard ever in spincast technology. It reflects the passion of the most knowledgeable and experienced engineers and designers in the industry.

The challenge was simple. Create the ultimate spincast reel and make it perform to the standards that over 50 years of experience would demand.

The results are stunning. Omega is the first ever spincast reel to feature 6 ball bearings. It also features a unique and comfortable design unlike any ever seen before. The materials selected for this reel provide reliability and performance that are unmatched in the category. And it has a feel that tells you immediately that this is the reel that will do the job right.

## Omega™ Z03

### FEATURES:

- 6 Stainless Steel Ball Bearings
- 3X Positive Line Pick-Up System
- 3.7:1 All Brass Helical-Cut Worm Gears
- Level Wind Oscillating Spool System
- Quick-Change Spare Spool
- Diecast Aluminum Body and Reel Foot
- Continuous Anti-Reverse™
- Aircraft Aluminum Covers
- Triple Cam Multi-Disk Drag
- Ceramic Line Guide and Pick-Up Pins
- Power Crank Reversible Handle
- Sealed Soft-Touch Rubber Thumb Button
- Pre-spooled with 10 pound line

## Omega™ Z03C

### FEATURES:

- Z03 reel
- 6'0" Professional graphite rod with D-Guides and countoured natural cork grips.

Omega™ is the first spincast reel in history to feature 6 ball bearings – engineered from quality stainless steel for corrosion resistance.

A quick-change spool system lets you easily switch line weights to match the type of fishing situation. A spare spool is included.

The ultra-smooth worm gear drive, with its 3.7:1 gear ratio has been designed to provide a balance between both power and speed.

3X Positive Line Pickup System allows you to instantly and positively capture the line for retrieve...three times faster than a normal spincast reel.

**The reel that has been teaching America to fish.**

**33<sup>®</sup>**

Everyone who fishes knows the Zebco 33. It's been in production longer than any other spincast reel, because fishermen the world over have demanded it. Ask anyone, "what was the first reel you ever fished with?" The answer will, more often than not, be "the Zebco 33".

Zebco's newest 33 still features corrosion-resistant, all-metal gears and polished stainless steel covers, but also has a smooth ball-bearing drive system and a dual-cam all-metal drag. It's also convertible for right- or left-handed retrieve.

Thirty years from now, you can share history just as your Grandfather did with you in the ceremonial handing down of your Zebco 33.

**FEATURES:**

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Dual-cam drag system
- Stainless steel covers
- QuickSet™ anti-reverse
- Right or left retrieve
- Pre-spooled with 10 pound line

**Easy-to-use, with a high-tech design.**

**Mercury™**

Mercury spincast is spooled with 10 pound line and features stainless steel covers, a Positive Pickup™, all-metal gears and right or left retrieve.

**FEATURES:**

- Positive Pickup
- All-metal gears
- Stainless steel covers
- Right or left retrieve
- Pre-spooled with 10 pound line

**Designed tough, for reeling in the big ones.**

**733™ The Hawg®**

Zebco's 733 has a ball-bearing drive and star-adjustable drag in a stainless steel housing. This "Hawg" also features a Bait Alert™ clicker and selectable Direct Drive.

**FEATURES:**

- Ball-bearing drive
- Heavy-duty design
- Star-actuated drag control
- Bait Alert™ clicker
- Selectable Direct Drive
- Solid steel handle
- Stainless steel spinnerhead

## 22™ Gold™

Mid-sized reel built like a full-sized reel.

With 2 ball bearings, the 22 Gold™ is super smooth, and just the right size for younger anglers. The 22 Gold has stainless steel covers and is pre-spooled with 8 pound line.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Left/right retrieve

## 33® Gold™

Elegant upgrade to the standard 33®.

Zebco's 33 Gold features 2 ball bearings, a dual-cam all-metal Zebco Magnum drag and Positive Pickup. It's also pre-spooled with 10 pound line.

### FEATURES:

- 2 Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Left/right retrieve

## One Gold™

Smooth performance when fighting big fish.

The One Gold is built for big fish. Along with its great looking gold stainless steel covers, this reel features a star-adjustable drag, selectable anti-reverse and 14 pound line.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Star-actuated drag system

## 44® Gold™

Triggerspin™ casting convenience.

Triggerspin™ makes this reel easy to cast. Pre-spooled with 8 pound line, a ball bearing drive and Zebco Magnum drag provide fish-fighting durability.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Triggerspin™ cast control

## Gold™ Micro

Upgrade the Zebco Micro experience with these two high-performance ultralights. Both the 11G spincast and the 11TG Triggerspin™ feature a ball-bearing drive and selectable anti-reverse.

The 11G and 11TG ultralight reels are pre-spooled with 4-pound line and feature 4.1:1 gears.

The top-of-the-line **33® Classic®**  
Zebco 33®

The Classic version of the famous 33® includes Continuous Anti-Reverse™ along with 2 ball bearings for ultra-smooth performance. It's convertible for right or left retrieve and is pre-spoored with 10 pound line.

FEATURES:

- 2 Ball-bearing drive
- Continuous Anti-Reverse™
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Right/left retrieve

Designed for the fisherman with "big expectations". **One Classic®**

One Classic is what experienced big-fish anglers use when they are seeking the highest level of performance and durability. With a ball bearing drive and star-adjustable drag, the One Classic will certainly be a part of your family for years to come.

FEATURES:

- Ball-bearing drive
- Continuous Anti-Reverse™
- Positive Pickup
- All-metal gears
- Stainless steel covers
- Star-actuated drag system

## Prostaff® 2010™

Serious light-action  
fishing performance.

The ultralight design of the PS2010 makes this the perfect reel for catching perch to smallmouth to trout. It features 6 pound line, a ball bearing drive and silent anti-reverse, with Prostaff's trademark oversized thumb button and star drag.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Oversized thumb button
- Silent anti-reverse

## Prostaff® 2020®

A reel truly designed  
for crappie.

The PS2020 is the perfect sized reel for crappie or bass. It fits the hand easily, and with features like a ball bearing drive, Positive Pickup, 8 pound line and dual paddle crank handle, you'll be landing more fish than ever before.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel front cover
- Dual paddle crank handle

## Prostaff® 2030™

Professional quality reel  
for bass and cats.

You can use the PS2030 for just about every type of fishing. It's sized for small fish or monsters and features a ball bearing drive, solid brass gears and a fade-free star-adjustable drag. The PS2030 is pre-spooled with 14 pound line.

### FEATURES:

- Ball-bearing drive
- Positive Pickup
- All-metal gears
- Stainless steel front cover
- Dual paddle crank handle

## Prostaff® 888®

The biggest fish in the  
water fear this reel.

The PS888 isn't afraid to tackle the biggest fish in the lake. Pre-spooled with 20 pound line and featuring a selectable Bait Alert™, you'll be confident no matter what attacks your bait.

### FEATURES:

- Selectable Bait Alert™
- Positive Pickup
- All-metal gears
- Stainless steel front cover
- Star-actuated drag system

The PS888 features our exclusive Bait Alert™ systems which gives you an audible notification of every strike!

The world's most popular  
spincast reel!

**202<sup>®</sup>**

No other fishing reel has touched more hands than the legendary Zebco 202. It's been the reel more people have learned to fish with since its introduction. Pre-spooled with 10 pound line, the 202 also features a built-in Hook Keeper™

FEATURES:

- Corrosion-resistant, solid brass gears
- Positive Pickup
- Tough ABS housing
- Adjustable cantilever drag
- Hook Keeper™
- Pre-spooled with 10 pound line

Durability for the recreational  
fisherman.

**404<sup>®</sup>**

The perfect entry-level bass reel and pre-spooled with 15 pound line, the 404 also features a built-in Hook Keeper™ and a silent anti-reverse.

FEATURES:

- Corrosion-resistant, solid brass gears
- Positive Pickup
- Tough ABS housing
- Dual paddle steel crank handle
- Hook Keeper™
- Pre-spooled with 15 pound line

Rugged and reliable for  
catching the bigger fish.

**808<sup>®</sup>**

Pre-spooled with 20 pound line and built to take on even the biggest cats, the 808 has a star-adjustable drag, silent anti-reverse and a re-inforced steel foot.

FEATURES:

- Corrosion-resistant, solid brass gears
- Positive Pickup
- Tough ABS housing
- Selectable Bait Alert™
- Dual paddle steel crank handle
- Silent anti-reverse
- Reinforced steel foot
- Pre-spooled with 20 pound line

## Gold™ GBC500

Professional features  
and styling.

Performance is the key to the success of the Gold GBC500 baitcast reel, with professional features like 5 bearings for the smoothest possible feel and adjustable magnetic braking for the ultimate in cast control.

The GBC500 also features Continuous Anti-Reverse™ for hooksetting power, corrosion resistant all-metal gears and a star-adjustable Zebco Magnum drag system. It is built on a solid and lightweight graphite frame and comes pre-spooled with 12 pound line.

For true versatility, the GBC500 features a Flippin' Switch™ allowing you to accurately place the lure, even in the toughest of places.

### FEATURES:

- 4 Ball-bearing drive plus clutch bearing
- Continuous Anti-Reverse™
- Star-adjustable Zebco Magnum drag
- DynaMag® magnetic cast control
- Lightweight graphite frame
- Pre-spooled with 12 pound line

## Gold™ GSP

The gold standard of  
spinning technology.

High-performance spinning reels are part of every serious angler's arsenal on the water. Zebco has designed the Gold GSP series spinning reels with professional features and sizes to match whatever situation you might be in, from heavy bass and catfish action to light trout and panfish action.

These 5-bearing reels also feature our Twist-Reducer™ line roller and are designed for the serious angler, to battle serious fish.

### AVAILABLE MODELS:

- GSP20** – medium/light action,  
pre-spooled with 6 pound line
- GSP30** – medium action  
pre-spooled with 8 pound line
- GSP40** – medium/heavy action  
pre-spooled with 12 pound line

### FEATURES:

- 4 Ball-bearing drive plus clutch bearing
- Continuous Anti-Reverse™
- Star-adjustable Zebco Magnum drag
- Aluminum Long Stroke® spool
- TRU-Balance® handle and rotor

Selected as a "Best Buy" by  
*Fishing and Hunting News.*

The GBC500 features a Flippin' Switch™ for fishing with finesse.

A Twist-Reducer™ line roller gives the GSP series spinning reels smooth, trouble-free retrieves.

## Micro Combos

### Turn bluegills into blue whales!

There's nothing like hooking a monster bluegill. Well it might not be a monster, but with a Zebco Micro doing the job, you'll believe it is. These palm-sized reels and combos offer a whole new world of affordable, ultralight fun. Leave it to Zebco, the most recognized name in the business, to pack so much quality, reliability and performance into such pint-sized packages. Adjustable drags, selective anti-reverse, dependable gears...and available in spinning, spincast and Triggerspin™ models. Whichever model you choose, you can count on them to turn every fish into maximum fun!

#### FEATURES:

- MZ1000 – Zebco® 11MT Triggerspin™ reel  
4'6" 2-piece ultralight rod
- MZ2000 – Zebco® 11M spincast reel  
4'6" 2-piece ultralight rod
- MZ3000 – Zebco® MZ00 spinning reel  
4'6" 2-piece ultralight rod

## Micro Reels

Upgrade the Zebco Micro experience with these two high-performance ultralights. Both the 11G spincast and the 11TG Triggerspin™ feature a ball-bearing drive and selectable anti-reverse. Each has a line capacity of 60 yards of 4 pound line and 4.1:1 gears for hard fighting.

#### FEATURES:

##### 11M

- Ultralight design
- Selective anti-reverse
- Right/left retrieve

##### 11MTS

- Ultralight design
- Triggerspin™ cast control
- Selective anti-reverse
- Right/left retrieve

## SW/Sport™ SW888

Easy-to-use  
saltwater spincast.

The SW888, with saltwater-resistant components is built extra-tough to handle the rigors of hard saltwater fishing, featuring stainless steel Zebco Magnum gears, a heavy-duty power handle, and high-volume line capacity (even 20 yards of 70 pound braided line).

The selectable anti-reverse gives you total hook-setting power for tough-fighting fish.

### FEATURES:

- Stainless steel cover
- Star-actuated saltwater-protected drag, gears and spool
- Selectable anti-reverse
- Pre-spooled with monofilament but ready for braided line.

## SW/Sport™ SW Spinning

Three sizes for all  
saltwater situations.

SW/Sport spinning reels feature an aluminum Long Stroke® spool design for distance casting, a ball bearing drive for smooth performance and are available in three different sizes for all types of saltwater fishing.

All-metal components on SW/Sport spinning reels are saltwater protected and the front-adjustable drag allows you to greater control over the fish.

**SW40** – Medium-size  
pre-spooled with 270 yds./8 lb. line

**SW60** – Medium-heavy size  
pre-spooled with 220 yds./14 lb. line

**SW80** – Heavy-size  
pre-spooled with 240 yds./20 lb. line

### FEATURES:

- Aluminum Long Stroke® spool
- Smooth front-adjustable drag
- Selectable anti-reverse
- Corrosion-resistant Zebco Magnum gears
- Twist-Reducer™ line roller
- Balanced handle and rotor

“Take me fishing,  
and we’ll always  
have something  
in common.”

No other activity can bond a family together  
quite like boating and fishing.
